**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We want competition because Comcast is awful! We love Sonic! Fiber over DSL!

We are a consumer who supports broadband competition because it gives us better services and better prices. The speed and price of our Fiber internet is better than we've ever had. Internet is a basic human right.
